Old business:

1. Doug, Newsletter, Address list is not done yet, mailing must go out soon or not at all. There was some discussion about advertising. Maybe we need to advertise more to the public.
2. John, Workshop is booked with 50 more than capacity, there os a chance that they will try to use a bigger venue next year. All speaker assignments have been filled.
3. Bill, brought in an updated notification procedure, it was also mailed out on the Board List. Golden Valley will be changing theirs after the first rotation starts till then the old one is still good. Bloomington will have theirs out next week.

New Business:

1. Joe The change in the class date went ok.
2. John wanted to know if Ramsey County had their radio / antenna problems on 162.150. Doug thinks we may have an antenna soon. Bill said he would check on the use of an 800 to VHF remote base as an alternative and when the tower goes down.
3. Joe, Did the times change for the statewide tornado drill. No one had heard of any.
4. Next Meeting is Monday May 1, 2006 1900 hours at NES Chanhassen.

Meeting adjourned at 2035 hours.

Bill Hughes.
