

The Next Metro SKYWARN Board of Directors meeting will be Monday August 7, 2006 1900 hours at the Johnson's! Address and directions to come

The Chair Doug NONAS called the Metro SKYWARN Board of Directors Meeting to order on Monday June 5, 2006 in the National Weather Service Office in Chanhassen at 1900 hours. Board Members present were; Sandra KC0TSB, Dave N0KBD, Steve AB0YQ, Donn WA2VOI, and Bill N0QHP. Also present was Jeff W0KF.

Secretary's Report Minutes for the March 2006 Board of Directors Meeting approved as corrected.

Treasurers Report, Sandra, Balance \$2,317.12

Old business:

1. Doug, Wanted to know if anyone had heard anything more about Scott County SKYWARN reorganization, which would include ham radio. Steve will call Todd

2. Dave and Sandra want to host the August Meeting at their house and have a cook out. So that's where it will be. I ask Dave to post his address so I can update the meeting schedule.

New Business

1. Jeff, Last class still on Saturday June 10, 2006 0900 hours at the Burnsville city hall.

2. Bill, Discussion about classes, and new materials. Some everyone there though that some of the meteorology needs to be put back in, especially in the area of tornado cyclo-genesis, and Metro SKYWARN may need to over haul the Metro SKYWARN specific slides. Other wise the class is fine and covers the essentials.

3. Donn the Forest lake class needs to be scaled back to a single class, due to low turn outs.

4. Bill, Discussion about activations in 2006; Only 1 formal net which was run by Golden Valley and some informal nets.

5. Next Meeting is Monday August 7, 2006 1900 hours at the Johnson's! Address and directions to come

Meeting adjourned at 1945 hours.

Bill Hughes.
