

The Chair Doug N0NAS called the Metro SKYWARN Board of Directors Meeting to order on Monday September 11, 2006 in the Ramsey County Net Control Station at 1902 hours. Board Members present were: Dave N0KBD, Donn WA2VOI, John K0WDJ, Jim WM0X and Bill N0QHP. Also present was Joe KC0GYJ MSW, Paul K0LAV 25/85 Rptr, Mike AA9TQ, Steve N0XC Polk Co RACES, Dave N9KMY St. Croix Co, Lou WB9PYA St. Croix Co and John KB9VLF Dunn Co.

The meeting was opened with a discussion about reorganization of the SKYWARN nets in the Western Wisconsin area of the NWS County Warning Area. There were questions about liability. There was discussion about the use of the Hub System and local nets. More discussion about a remote Rx for 7.33, so Dunn Co can reach it.

- 1 All Wisconsin reports to local Nets then relay on the .61 and / or .33.
2. Metro SKYWARN will not under go a drastic change operations right now.
3. Meet again March 31, 07 at SKYWARN Conference?
4. Make sure John knows about repeater changes.

No Metro SKYWARN Business was discussed.

Meeting adjourned at 2055 hours.
Bill Hughes.
